

1

'Only people with lots of money can afford to go to uni.'

2

'Jobs in oil and gas are just for men.'

3

'You can't change your career.'

4

'There's no point in doing a temporary job as you'll be out of work again in a few months.'

5

'People who work in finance just have to use maths all day.'

6

'Modern Apprenticeships are only for people who don't get into uni.'

7

'Modern Apprenticeships are just for people who want to learn a trade, like plumbing.'

8

'Jobs in IT are just for geeks.'

9

'Employers just want people who have degrees.'

10

'Money's the most important thing when you're looking for a job.'
