

Instructions:

- Imagine you are attending an interview at a local company. Conduct some research to find out key information that will be of use to you in an interview

1

Name of organisation?

2

What is the organisation's slogan?

3

How many people does the organisation employ?

4

Find a recent news headline or an interesting fact related to the organisation.

5

How would you get there?

(Note down the address, what mode of transport you would take and how long it would take you to get there)

6

What does the company do?

7

Who is their target market?

8

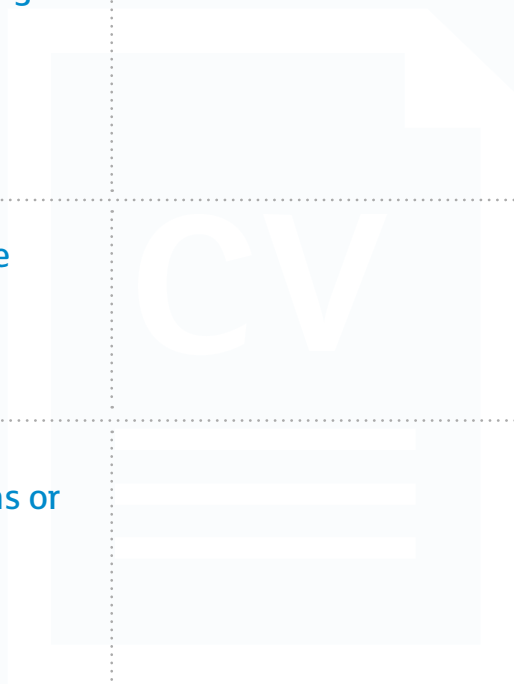

What is their best selling product?

9

Who is the owner of the company?

10

Add your own questions or more information here
