

Researching My Aspirations Worksheet

I am interested in _____

What are some skills, qualities and qualifications I need?

What routes and pathways are there to get into this sector of work?

What are some job, further education or training opportunities near me? What are some national opportunities? Research these online?

To investigate all of your options when leaving school further, please visit myworldofwork.com for all of the information and resources you need to help you make this important decision.
