

# Networking Bingo

## Worksheet

Use your networks (people that you know through school, social media) to ask questions and find someone who HAS EITHER DONE THIS or KNOWS SOMEONE WHO CAN HELP YOU FIND OUT MORE about...

Getting into gig's	Getting work experience	Getting fit	Getting a First Aid
Volunteering	Doing something creative	Finding out about apprenticeships	Making your online details private
Protecting the Environment	Finding the best App's	Finding out more about science	Being in a competition
Finding out about college	Joining a club	Finding out about Uni	Finding out more about careers

Write the name of the person or people who can help in the box.

**Write down four things you want to do or find out more about – get work experience, find out about local gigs, etc. Find someone who can help you, or who knows someone who can help....**

I want help with...			

Write the name of the person or people who can help in the box. You may already know some people who can help.
