Shuttle Plumber

Scottish Plumbing in Outer Space (SPOS)

**Permanent, Full-Time (start date mid-June),
£15.07 per hour**

Job Description

At SPOS, we pride ourselves on the precision and professionalism of our trained members of staff - and our front-line plumbers come in high on our list!

For this role you must:

- Be a trained plumber
- Have fantastic communication skills
- Be able to adapt to new environments
- Have an empathetic and accepting attitude to new species you may encounter

This exciting opportunity will allow you to take your skills into outer space, where it really matters! You will be trained in outer-space health & safety, and keeping safe in the space station.

Benefits

You are entitled to 30 days annual leave, and space public holidays.

You will be able to travel freely around the galaxy on your days off, all cost of space travel will be covered by SPOS.

What You'll Need

- Plumbing qualification
- 2 years experience in plumbing
- Nat 5 Mathematics
- Modern Language (not essential but beneficial to working with people from various places on Earth & in Space)

To apply to this position, please send us your most up-to-date CV.

We look forward to hearing from you.
