

# Job Adverts Worksheets

## Apprenticeship Opportunity

Skills Development Scotland

**Temporary, 2 year contract, 35 hour contract (Immediate start date)  
£6.39 per hour**

### Job Description

This exciting opportunity for a young aspiring careers advisor has arisen.

Because of the developing workforce and new jobs being developed, SDS are looking for some fresh young apprentices to learn while they earn in the role of an apprentice careers adviser.

For this role you must:

- Be compassionate and empathetic
- Be willing to rise to new challenges
- Be a team player and also work individually

The job will be a 9am - 5pm contract Monday - Friday.

Please note that this is a temporary contract that will last two years, at the end of this contract you will be eligible to become a trainee careers adviser where you will continue to learn how to be an effective career guidance customer-facing careers adviser (over 4 years).

### Benefits

You are entitled to 30 days annual leave and 13 public holidays.  
You are entitled to flexible working and flexible hours.

### What You'll Need

Applicants need only to have a passion and drive which should be conveyed through what they deliver at interview.

To apply to this position, please fill in the application form.

We look forward to hearing from you.

# Drone Logistics Consultant

## Remote Control Drones

**Permanent, Full-Time (start immediately), £36,000 annual salary**

### Job Description

We are in need of an intelligent, forward-thinking and tech-savvy person with an ability to use their own initiative when out in the fields.

For this role you must:

- Be trained in using drones and drone technology
- Have an eye for detail and be able to prioritise work
- Be able to work with different teams within and out-with the organisation
- Have excellent communication skills
- Be able to work indoors and outdoors, despite weather

This role allows the successful applicant to work with various organisations in helping them with their requests and particular jobs that may arise with them.

Droning hours are usually (but not limited to) 9am - 4pm and location varies a lot so travel is required and a drivers license and access to a car is beneficial but not essential.

### Benefits

You are entitled to 30 days annual leave, and 13 public holidays.

You will receive travel expenses and will be able to claim back any money related to travel through work.

### What You'll Need

- Nat 5 Maths & English
- Technology related degree
- A full drivers license
- Access to a car

To apply to this position, please send us your most up-to-date CV.

We look forward to hearing from you.

# Nostalgic Interior Designer

The Good Old Days Co.

## Self Employed, Full-Time (start immediately), wage on commission

### Job Description

Our customers are people who love everything retro and vintage. We aim to tailor our services to each individual customer's needs and preferred era.

For this role you must:

- Have a good eye for detail
- Be creative
- Have a fashion/design related degree
- Have great communication and people skills
- Understand that the customer has the final say

This role will require you to work 121 with customers and design their dream nostalgic interior design, so that they can live out The Good Old Days!

Each customer will require you to work with their individual budget, and be creative in your ideas. You will work with our external partners to get any materials you may need for home renovations. You will be paid on each home renovation that you successfully complete, and you will also receive a basic wage from TGOD Co. for attending training and team meeting days.

### Benefits

You are able to decide which jobs you want to work on, therefore working hours are flexible to your own workload and you will be expected to adjust to this accordingly.

You are entitled to 4 weeks annual leave and public holidays for Scotland

### What You'll Need

- Nat 5 Maths & English
- Fashion/Design related degree
- A full drivers license
- Access to a car

To apply to this position, please send us your most up-to-date CV.

We look forward to hearing from you.

# Re-Wilder

The We Love Nature Organisation

**Permanent, Full-Time 35 hours (start immediately),  
£26,800 annual salary**

## Job Description

The We Love Nature Organisation are dedicated to reversing the effects that farming, people and cars have had on our environment. We do this through several preservation methods and are currently testing various new methods to aid this driving passion that we have.

The role of the re-wilder is to look to the past to save our futures...

For this role you must:

- Have a passion for nature and the preservation of it
- Have a strong moral-compass and always strive to do the right thing
- Be knowledgeable in environmental studies and general nature
- Be able to research old methods and test these

In this role, you will look back at old methods that have worked in the past to contribute to our overall mission to reverse the effects of climate change and global warming.

## Benefits

You are entitled to 30 days annual leave and Christmas Eve/Christmas Day/New Years Day public holiday.

You will be able to travel all over to research for your work and will be entitled to travel expenses.

## What You'll Need

- Nat 5 Maths & English
- Environmental/Nature related degree
- 2 years work experience in conservation

To apply to this position, please fill in the application form.

We look forward to hearing from you.

# Simplicity Graduate Intern

## Making A Business Accessible for You (MABAY)

**1 Year fixed contract, Full-Time (starting in October)**

**£20,000 annual salary**

### Job Description

Here at MABAY, we are looking for a fresh graduate with a business related degree to join our team as our simplicity consultant.

For this role you must:

- Have a business related degree
- Be resilient in new environments
- Be creative and understand the importance of simplicity

This role of the simplicity consultant is primarily to reduce the amount of time wasted in a business setting. You will do this by creating new and more efficient ways of carrying out various tasks in the organisation.

You will be required to attend several team meetings and observe how they operate. You will then feedback to your people manager and suggest innovative ways that you think would save time, resources and money. This will be trialled and tested by the teams and then re-evaluated by you and your team.

You will gain valuable work experience and the necessary skills you will require in your future career in the world of business.

Please note that this post is only a 1 year internship, and not a permanent position.

### Benefits

You are entitled to 30 days annual leave, and 13 public holidays.

You will receive travel expenses and will be able to claim back any money related to travel through work.

You are also entitled to flexi-time and flexible working when appropriate..

### What You'll Need

- Nat 5 Maths & English
- Business related degree
- Full UK Drivers license & access to a car (preferred but not essential)

To apply to this position, please fill in the application form.

We look forward to hearing from you.
