

# Meet the Expert

## Lesson plan

### Aim

To help young people to learn about a variety of different jobs by hearing directly from experts working in the roles.

### Mapping

CES 'I Can' Statements	CMS Themes
<ul style="list-style-type: none"> <li>★ I can discuss the relevance of skills to the wider world and make connections between skills and the world of work</li> <li>★ I can demonstrate and apply the skills I have learnt across the curriculum in relation to the world of work</li> </ul>	<ul style="list-style-type: none"> <li>★ Horizons</li> </ul>

### Learning Outcomes

Young people will:

- Watch a number of videos from experts in a range of roles in a number of different sectors
- Learn more about these roles and understand the skills needed for them
- Know where to find further information on careers.

### Development of Activity

#### Instructions for the young person

The young person should know that there are a variety of job roles and know that they can use My World of Work to learn more about them.

Continued on next page...

## Instructions

### Before you start

- ★ Print the 'Meet the Expert' worksheet or ask someone to print it for you
- ★ If you can't print it, take a sheet of paper to write your answers on
- ★ View the [Meet the Expert films on the My World of Work Live playlist on YouTube \(1\)](#)
- ★ Work through the questions on the worksheet.

## Follow-up

The activity looks at a number of specific jobs roles but there are lots of other job roles on My World of Work that the young person could find out more about.

### [My World of Work \(2\)](#)

The Unified Schools Programme is an industry led programme to engage young people in financial services. You can learn more about it
